RE: Case No. 2007-00204

I would like to request an informal conference (telephone) if possible to discuss the findings of the Staff Report concerning the rate increase. Apparently we have some mistakes in our numbers that were used in the request. I am in the process of having my software upgraded to provide information that we need to make the reports I need for the application.

Respectfully,

A handwritten signature in cursive script that reads "Jim Taylor".
